Long-Term Care Cost Planning

Learn about the different types of long-term care such as assisted living, nursing home, home health, and hospice care. Discussion will include what each type of care encompasses and approximate cost. We will share information about insurance options available in the market and strategies used to pay for long-term care costs. This class will help you assess your individual risk of care needs, make cost estimates, and how to plan today to ensure you can pay for the care into the future.

Medicare Open Enrollment

Medicare Part D and Medicare Advantage plan changes may affect your premiums, copays, drug coverage and/or health care benefits. Because of this, you are encouraged to compare your plan options during Medicare's Open Enrollment, October 15-December 7, every year.

Nebraska SHIP counselors are trained to provide confidential and unbiased one-on-one support to help you determine your plan options.

You may schedule your session with Nebraska SHIP counselors. In Cass County, call Volunteers Assisting Seniors at 402
