2023-2024 FAFSA Verification

Parent of Dependent Student - Verification of Parent Assets

To the Parents of:

Student Name: _____ Student SCOD: _____

Our office has received conflicting information concerning your assets, or the Parent Asset Section on your student's Free Application

1. "Asset Market Value" is the value of the asset if it was sold or cashed in today **not** the amount it was worth when you acquired it
2. "Debt on Asset" is the amount still owed on the asset, or the amount of debt where the asset was used as collateral.
3. The home in which you reside should **not** be included on this form if it is your family's principal place of residence.

Asset Type	Market Value of Asset	Debt on Asset
Amount of total Cash, Savings, and Checking Accounts as of the day you originally filed the FAFSA.		
Investments: Include real estate (except the home you live in), trust funds, UGMA & UTMA accounts, money market funds, mutual funds, certificates of deposit (CDs), stocks, stock options, bonds, international currency (must report value in U.S. dollars), other securities, Coverdell savings accounts, 529 college savings plans, the refund value of 529 state prepaid tuition plans, installment, and land sale contracts (including mortgages held), commodities, etc. Investments do not include the value of life insurance, retirement plans (pension funds, annuities, non-education IRAs, Keogh plans, etc.).		
Business Value or Investment Farm: This is the market value of land, buildings, machinery equipment, livestock, inventory, etc." Business or farm debt is only those debts for which the business was used as collateral." Do not include the value of a small business you or your spouse own and control and it has 100 or fewer full-time employees.
